

# CrossBridge Community Church Future Campus

We've purchased 25 acres on Hwy 281 for our future campus. The land is 5 miles north of Loop 1604 near the Lookout Canyon area. Ultimately access to the land will be via its 281 driveway and by Overlook Pkwy which connects to Canyon Golf Rd. While we're excited to have such a wonderful piece of land, we're not in a big rush to accumulate building debt. We're committed to being

a low-debt church. Plus, God has blessed with a great place to meet and allowed us to start almost 50 Life Group Bible studies in homes all over the area. Since starting in April 2003, we've grown to over 1,000 people and given more than \$800,000 to help the poor and to tell others about Jesus' love.
